EASTERN ILLINOIS UNIVERSITY
FACULTY SENATE

Minutes of 19 October 1966

MEMBERS PRESENT: Fagan, Hopkins, Kline, Kluge, Knoop, McConkey, Murray, Price, Rommel, Spaniol, Trank, White.

MEMBERS ABSENT: Bouknight, Miess, Penn.

The minutes for the meeting of 12 October were approved as presented, except that those minutes should have indicated that the minutes of 5 October were approved as presented.

REPORTS:

For the Executive Committee, Mr. Kluge announced the following Senate committee appointments: Campus parking: Mr. Knoop (Chairman), Mr. White, Mr. Goodrich, and Mr. Pauley (ex officio).

Extra-curricular activities during exam periods: Mr. Price (Chairman), Mr. Bouknight, Mr. Spaniol.

Guidelines for rotation of summer employment: Mr. Hopkins (Chairman), Mr. Kluge, Mr. Trank.

University committee structure: the present Senate Committee on Nominations and Elections.

Waiting period for effective date of changes in regulations: the Senate as Committee of the Whole.

Mr. Kluge also announced that the Personnel Committee and Mr. Giffin have been invited to the Senate meeting of 26 October.

Mr. Kluge also announced that the Executive Committee had reminded the President of the need to activate immediately the new faculty screening committees.

COMMUNICATIONS:

From Mr. Maurer, protesting the inadequate representation of the College of Letters and Science on the committee to select a successor to Mr. Schaupp. Mr. Maurer was also present at the meeting, and there was discussion of the importance of the said committee's responsibility. No action was taken.

OLD BUSINESS:

- A. There was discussion of the Master Plan, Phase II, with focus on Mr. White's earlier public letter to Mr. Glenny and the Board of Higher Education. It was moved (Rommel) and seconded (Knoop) that the matter be tabled. The motion carried by voice vote.
- B. Dean Williams, Mr. Taber, and Mr. Walstrom were present to discuss registration problems, especially the matter of late adds and drops. A sampling of remarks follows: Fall quarter, with the long period since Spring preregistration for changed circumstances, is the difficult quarter. Fall 1966 saw 2616 add requests, with all but 345 processed. For comparison, Fall 1961 saw 4725 adds. Department

(over)

pre-estimates of course demand appear insufficiently accurate to prevent considerable failure of pre-registering students to get their course choices. Alternates listed at pre-registration tend to be in the same category as the unavailable original choices, so that adds occur during first days of the quarter. Various student reasons account for late adds, not always the ones stated. The add fee does not appreciably discourage adds. Processing of Fall adds must await beginning of school because drops are processed then, because course offerings have changed, and because advisor approval is needed. Forthcoming use of the spacious Field House may facilitate the add-drop procedure. Student Academic Services welcomes any suggestions as to means of getting more students into class by opening day of classes.

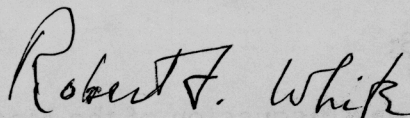

The meeting adjourned at 9:40 a.m. The next meeting of the Senate will be in Blair 207 at 8:00 a.m. on Wednesday 26 October 1966.
